Customer Reviews

I own the original Beate Winkler book, published in German. Although I do not speak or read the language the book is an excellent reference source. I'm certain the english version will be even more of a help for me! I am putting together my 3rd grade Zentangle unit and finding many helpful hints in this amazing collection of step-outs and variations of tangles.

If I was heading to a deserted island that UPS couldn't reach and I could only take ONE Zentangle book along, this without doubt would be the one!!

Great detailed instructions.

LOTS OF INTERESTING ZENTANGLE DESIGNS!

Lots of tangle designs. Good reference book.
