# Victorian Buildings Of San Francisco: A Coloring Book

## Synopsis

Adults are invited to express their sense of color and creativity in this book of lovingly detailed drawings of San Francisco's Victorian-era buildings. In pen and ink, artist Shirley Salzman depicts a spectrum of styles within the period of Queen Victoria's reign from 1837 to 1901. The black-and-white sketches are printed on high-quality watercolor paper in an open-flat format and can be framed as they are or imaginatively embellished.
