# Victorian Buildings Of The American West: A Coloring Book

## Synopsis

Adults are invited to express their sense of color and creativity in this book of lovingly detailed drawings of San Francisco's Victorian-era buildings. In pen and ink, artist Shirley Salzman depicts a spectrum of styles within the period of Queen Victoria's reign from 1837 to 1901. The black-and-white sketches are printed on high-quality watercolor paper in an open-flat format and can be framed as they are or imaginatively embellished.

## Customer Reviews

This book, along with its partner book with San Francisco houses, is the best coloring book I have ever had. The book is large with high quality paper. The pictures are large and very well done. I wish there were more of this type on the market!
