Rookie Of The Year (Rip And Red)

Synopsis

Just when they think they've got the hang of things, Rip and Red find that fifth grade continues to challenge them in head-spinning ways. Tiki, a new girl whose Egyptian dad is an animal-rights activist, has just joined their class. She's charismatic, funnyâ and she's got game! Rip has his world turned upside down as Tiki proves to be tough competition on the Clifton United basketball team and leads a rebellion against the lousy new food service in the school cafeteria. Redâ a kid on the autism spectrumâ is struggling with the upheavals as well. But as these two funky and funny best friends discover, sometimes radical change is the right move, on the court and off. This title has Common Core connections.

Customer Reviews

My 10 year old loves this series. Its so difficult to find kids books with main characters with African American boys as main characters, instead of in the usual sidekick role. He also relates to the other primary character, who is autistic. Great work, Phil Bildner!

Great book that also includes a very diverse cast. A great story of friendship and your boys and girls

who love sports will love this book!
