## Customer Reviews

my baby loves the faces in this book! she started reacting to them @3weeks old! she also likes art cards by same artist. Very cool/unique :) She's 9 weeks now and laughs at faces while i change her diapers, this book is always in my diaper bag.

this is a great soft fun book for babies. I highly recommend this to new moms and dads. It has great pictures and easy to hold. Thank you to goodreads and Surya Pinto for this book.

This book is cute and engaging for my newborn. My two month old son loves looking at this during tummy time. My two year old niece loved the cute animals pictures!

super adorable and soft for baby, she loves staring at it during tummy time when we open and stand it in front of her.
