Amelia Earhart (Little People, Big Dreams)

Synopsis

In the Little People, Big Dreams series, discover the lives of outstanding people from designers and artists to scientists. All of them went on to achieve incredible things, yet all of them began life as a little child with a dream. The book follows Amelia Earhart, whose strong will and self-belief helped her overcome prejudice and technical problems to become the first female flier to fly solo across the Atlantic ocean. This inspiring and informative little biography comes with extra facts about Amelia's life at the back.

Customer Reviews

My daughter, who is 8, has found an interest in reading biographies so I ordered the Amelia Earhart book for her and we both LOVE it. The illustrations are beautiful and the content is enough factual information but fun enough to keep her engaged. I think this is a great way to get your little one engaged in the lives of others - especially good, strong, women. We can't wait to get all of the others in this line.

Fantastic role model for little girls in easy to understand language.. Loved it.
