Book 16 . . . I have no way of explaining how absolutely all-encompassing and insanely wonderful this book was. It has definitely become one of my favorites in the series. A few highlights (without giving away too much):- I learned that evil souls CAN actually give and receive true love (not that it changes how much I DESPISE those evil souls) . . . - Kiev . Is. AWESOME.- It was so wonderful to see Caleb and Roseâ™s story come full circle (but I wonâ™t tell you how it ends!) • - Kiev. Is. AWESOME.- A good deed done for even your worst enemy can come back around in a good way.- Kiev. Is. AWESOME.- When a family stands together, there is nothing they canâ™t accomplish!- Kiev. Is. AWESOME.- Just because youâ™re dead doesnâ™t mean your story ends (just hoping that when it DOES end, itâ™s on a good note and not a bad one).- Oh! And did I mention â“ KIEV

IS AWESOME! HAHAHA! I've actually gone back and read this book twice already. It was so full of action, love, passion . . . everything that makes a reader want to dive headfirst into this world called the Shade. I can't wait to see where Bella takes us next â“ Book 17 or BUST!

Bella has yet again outdone herself with An End of Night. Once I started this book I could not stop. Bella has an incredible way of taking her readers captive and not letting them go. All I know is that the women of the Shade are a force to be reckoned with. Mona kicked some major booty in this book and Rose was close to follow. To say that they are unstoppable would be an understatement. Even though I am sad that Rose and Caleb's story came "to a close" it couldn't have been more perfect! I say this every time but Bella has outdone herself. I cannot wait to see what's in store with Ben's story because of the BOMB that was so dropped on us at the end of A Shade of Vampire 16. As always, I highly highly recommend not only this book but the entire series.

What a RIDE!!! An End of Night is a rollercoaster of adventure! The story leads us back to exciting past places of old as our beloved characters are lead on a wild goose chase for answers. Feelings of sorrow, passion, betrayal, loyalty, anger, compassion, friendship, and love are just some of the emotions that you will be feeling chapter after chapter! It is a great conclusion to our heroic lovebirds and ends with a surprise plot twist that will knock your socks off!

Breathtakingly good! A very well written Series with lots of amazing characters... the first 8 books feature Derek and Sophia as the main characters... afterwards the series continues on with their children's story... I don't usually pick out a series that is this long or that has so many books, but what can I say? It is worth reading... lots of really interesting characters, lots of ups and downs, plenty of action and of course epic love stories :-) ... If you have Kindle Unlimited, you can read all 18 Books for Free! Enjoy.PS. This is the final book of Caleb & Rose's story.

Many of our characters are seeing ghosts from their past in this book! With time slipping away from them in their quest for power, Rhys and the black witches are desperate to perform the ritual that will give them the power to rule all of the supernatural realms. But Mona has figured out Lilith, and they have formulated a plan to thwart Rhys and his followers' plan to rise to power. But it is such an impossible task, how could they possible succeed? Caleb and Rose are now engaged, but the Shade is still in turmoil so their joy over the announcement is placed on the back burner until they can ensure the safety of everyone in all of the supernatural realms. I couldn't be happier with the

ending to Caleb and Rose's story and the outcome of the Shade and its inhabitants after the very trying time they have endured since the twins left for Scotland! We finally get another inside look at Ben and where he is now and what is to come, as he is also faced with some ghosts from the past.

Well, Bella has done it again, another fantastic book. The action is back as we conclude the story of rose and Caleb but buckle up because Bella is going to take you on a ride of your life. The secrets of Lillith and Magnus come to light, and the black witches meet their match, Just as you think you can breathe again, Bella takes you on another journey that leaves you wanting more. No matter how many books she writes I will never stop because they are that good. Love you Bella!

I have followed this story since the beginning and have loved every single one of the books. They just keep getting better each time. This story works because of the love each one of them has for each other, they work together against a common enemy, the black witches. What they need to do when it comes to Lilith is going to be the hardest thing they have ever done. What will happen to the black witches once they can actually kill Lilith? Will they succeed in killing her or will it fail? Read the book to find out. This was a great story and cannot wait to read the next one.

I always write reviews but I never give away the story. I think it's important for people to read blast books and not know to much. This one was a beautiful ending to rose and Caleb story. Thankful Bella is not ending the series with this book! Quite an ending to a certain enemy of the shade, gross at times but I was cheering on our hero's. New worlds were shown with some crazy creatures. Once u enter the shade u will never want to leave. Very addictive but oh so worth it
