The Wait: A Powerful Practice For Finding The Love Of Your Life And The Life You Love

Synopsis

President/CEO of Franklin Entertainment and former Sony Pictures executive DeVon Franklin and award-winning actress Meagan Good have learned sometimes all we can do is wait for "the one" to come into our lives. They spent years crossing paths, but it wasn't until they were thrown together while working on the film *Jumping the Broom* that their storybook romance began. Faced with starting a new relationship and wanting to avoid potentially devastating relationship pitfalls, DeVon and Meagan chose to do something almost unheard of in today's society - abstain from sex until they were married. In *The Wait*, DeVon and Meagan share the life-changing message that waiting - rather than rushing a relationship - can help you find the person you're meant to be with. It's a story filled with candid his-and-hers accounts of the most important moments of their relationship and practical advice on how waiting for everything - from dating to sex - can transform relationships, allowing you to find a deep connection based on patience, trust, and faith.

Book Information

Audible Audio Edition

Listening Length: 6 hours and 12 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Tantor Audio

Audible.com Release Date: March 8, 2016

ASIN: B01CDEK7AI

Best Sellers Rank: #11 in Books > Audible Audiobooks > Religion & Spirituality > Christianity

#13 in Books > Audible Audiobooks > Health, Mind & Body > Family & Relationships #22

in Books > Parenting & Relationships > Marriage & Adult Relationships

Customer Reviews

It's hard for me to critique this book fairly. Mainly because there is a void in the market for resources related to topics such as celibacy and 'waiting' that's geared toward a young, urban demographic. I rated the book a 4 because it does meet that need. Young, urban believers of Christ who desire a deeper relationship with God and who desire a Godly marriage will find a lot of knowledge from this book. What this book does do a good job of is instructing the reader that you must develop a deeper, more intimate relationship with Christ not just for finding a mate, but for developing and

enhancing oneself. The Wait does say, in a roundabout way, that cutting off the distraction of being in un-Godly relationships, friendships, careers, etc and really devoting oneself to truly learning and loving Christ and making Him the focal point of one's life is the way to true happiness and contentment which will then (hopefully) attract the mate that Christ desires for you. Definitely gives more context to Matthew 6:33-"Seek ye first the kingdom of God and his righteousness, and all of these things shall be added unto you." I appreciated the transparency of both Devon and Megan (didn't know that Megan was a smoker but sharing this added to her 'flawed human-ness' and how beautiful celebrities are broken and need to be healed). Unlike other Christian authors who have written about love, relationships, and their wait, Devon and Megan tells the reader that they were not void of sin, that they fell many times HOWEVER because of conviction, Christ led them on a beautiful (and arduous) journey of seeking Christ and trusting in his word. And I'm glad that this book had a unisex tone! Most books about marriage, love and sex in the context of Christianity are geared toward women.
