Who Was Alexander The Great?

Synopsis

Alexander the Great conquers the New York Times best-selling Who Was...? series! When Alexander was a boy in ancient Macedon, he already had grand ambitions. He complained that his father, the great king of Macedon, wasn't leaving anything for him to conquer! This, of course, was not the case. King Alexander went on to control most of the known world of the time. His victories won him many supporters, but they also earned him enemies. This easy-to-read biography offers a fascinating look at the life of Alexander and the world he lived in.

Customer Reviews

The children enjoy the Who Was series for biography book reports. Our 3rd, 4th, and 5th, graders seek these out above other series I carry. They have nice size print, and pencil drawings every few pages to capture the children's attention. Most of the Who Was series is Accelerated Reader. This one is too new to be rated yet.

I homeschooled and these books are wonderful. The whole series is impressive.

I love how the author described the lifestyle and the life of Alexander The Great, I would definitely

recommend this book. Written by a 9 year old

Great birthday presents for my grandsons. They love these books.

great history for children
