Customer Reviews

I really like Star Wars Rebels TV Show and season 2 was awesome and Kanan is my favourite character in the series and I am very enjoying reading his comic I would definitely request you to read it the only part that mad me sad that it only lasted 2 volumes I wish there was more :(

Flawless artwork. Every box on every page could be turned into a poster. I was not into comics as a kid and this one got me addicted. Well worth every penny.

My son loves reading the graphic novels and couldn't wait until this was released. It came quickly and was read quickly! We will be looking for the next one to come out!

Fantastic wrap up to a great story. Hope they make more Rebels comics in the future.

If you're a fan of the Clone Wars or Rebels, this book is a must have
