# 2017 Susan Branch Heart Of The Home Mini Calendar

## **Synopsis**

This calendar features original artwork by Susan Branch, accompanied by inspirational thoughts, recipes and quotes in her trademark hand-written style. This perennial best-selling calendar will warm the heart, comfort the soul and bring smiles to the whole family. This 2017 calendar also includes 4-month bonus spread. All calendar pages are printed on FSC certified paper and use environmentally safe inks. See "note" below:Note: Due to a glitch at the printer, the 2017 calendars have been printed on a lighter weight paper than usual. This will be fixed for next year. The color is still gorgeous, Susan's artwork is delightful as always, the calendars will look just the same hanging on your wall, or displayed on your desk top, pen marks do NOT go through to the other side of the pages, the paper and cardboard backing are still safe for the environment, but the calendar papers aren't as heavy this year and we, as the manufacturer, and Susan, as the artist, wanted you to know, so you can judge your value accordingly.

## **Customer Reviews**

A must for my kitchen every year ! This is the full size calendar based on the price I thought it could be the mini which I have at work. Further I the product description they indicate a thinner paper was accidentally used which may explain the cheaper price. The quality is still very good and marker won't bleed into the next page. We are already enjoying the months looking forward to using it next year.

Always a pleasure to have this on my wall. Great artwork by Susan Branch on every page, plus wise

and wonderful sayings. Love saving the outrageous shipping costs from Susan Branch's website, too.

Love anything Susan Branch!

Another lovely calendar filled with quotes and artwork! So pretty to look at each month!
