Exhibition 2017

Synopsis

Exhibition 2017 showcases photographer Michael Stokesâ™s penchant for photographing male images and figure studies of fitness competitors, personal trainers, and body builders from around the world, featuring one amputee model. Some of the best male physique models in the world are shown in this carefully selected calendar, among them celebrities such as RÃdiney Santiago and Benjamin Godfre. Michael Stokes's fashion and fitness photographs have been featured on America's Next Top Model, have twice been the cover for Men's Health Italy, and are used for more than twenty-five novel covers. Michael has also made personal appearances on television's The Insider and Inside Edition. The calendar is safe for work.

Customer Reviews

Exhibition 2017 Michael Stokes does some of the best photography of men I've ever seen. I enjoy tasteful photography of men. I dislike the way most people are treated in photos, no names, no information about them but Michael treats his models differently. He lists their names, and if they have their own sites, or other places to do business he will list that as well. In other words, they're not just a piece of meat used to rake in money. Michael is one of the few people I stay on Facebook for. His work with Veterans is the reason, showing them and us, how beautiful they are even after the damages of war. I buy the calendars to help support that work. This calendar is safe for work thus making it a great gift for women who need a bit of excitement in their lives - nurses, secretaries, receptionists, office managers, anyone who needs a calendar. Tasteful yet titillating. The calendar

with the Veterans is Always Loyal and can be purchased directly from Michael Stokes.net. I know there are some on but I'm not sure that the money goes to help the Veterans.

A collection of some of the most beautiful men in the world, displayed in all their delicious perfection, by the ever-amazing Michael Stokes!
