Pumpkin: The Raccoon Who Thought She Was A Dog

Synopsis

As a baby, Pumpkin the Raccoon was abandoned by her parents after falling out of a tree and breaking her leg. Taken in by a family with two rescue dogs, Toffee and Oreo, Pumpkin gained a new set of "parents" and a life of luxury in the Bahamas. *Pumpkin: The Raccoon Who Thought She Was a Dog* is a sweet, unique look at an adorable household pet, captured in gorgeous, never-before-seen photographs in luxurious settings. Pumpkin's message is that friendship and love can be found in the most unlikely of companions. With a lot of personality, and a little bit of mischief, Pumpkin will capture hearts all around the world.
