# It's All About... Wild Weather: Everything You Want To Know About Our Weather In One Amazing Book

## Synopsis

Wild Weather tells you everything you want to know about the world's weather. Read about twisting tornadoes, ferocious floods and dusty drought. The wildest weather can cause the most extreme places - deserts, rainforests and polar lands. Discover how we use science to measure and predict the weather, and how we cope when natural disasters strike. Wild Weather is part of a great new collectible series called It's all about... It is packed with facts and stats, and there are eight amazing collector cards to tear out and keep. You can access a free downloadable audio of Wild Weather by logging onto the special URL address on page 3. Wild Weather has a Contents page as well as a Glossary and Index. You can check out the other titles in the series at the back of the book.
