# National Parks Classic Posters 2017 Wall Calendar

## Synopsis

The National Parks Classic Posters calendar celebrates America's national parks with style. Inspired by vintage poster art from the late 1800s to the mid-1900s, these original posters were created by the Anderson Design Group to spotlight great travel destinations and points of interest. Dramatic perspectives created with vibrant colors and well-crafted lettering add to the retro vibe of these posters. National Parks Classic Posters 2017 is a twelve month calendar with spacious grids with international holidays and moon phases. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance. Earth friendly, printed with soya-based inks on FSC certified paper.

I love these vintage calendars. I bought one for 2016 and had to have another one. Well done.
