Customer Reviews

This is my favorite wall calendar. It stays on the fridge, even when the folder is full of random papers I haven't filed anywhere. The stickers are great addition. Plenty of room to color code individual activities and daily activities. We are a family of 6, lots of schedules to keep track of!

I had this calendar last year and loved it. But this year I tried a different one because I couldn't find it in December. I guess I waited too late. So now i found it and waiting for it to become available. I'm so excited and can't wait to get it. I like the layout of the secret garden one. I will never be without it again!
