Customer Reviews

As with the Little Golden Book, this is NOT the movie story line. It's "meet the pets" so it's all character introductions. SPOILER....as with the LGBook, the bird character is not included. However all the other characters, not just the main ones, are introduced here. There is no story in this book, just a page devoted to each pet (Flushed Pets included). The cute thing is in the back of the book are 16 perforated character cards which my 5 year old loved. This book was really cute, and gave a good description of each character. Any young SLoFPets fan would love this book!

Great book to read with your child. My son loves it

7 yr old son loves it! We have read it every night since receiving it! Print & words used are perfect for beginner reader. He loves to read, so anything I can do to encourage it, I'm in!

My son wanted everything Secret Life of Pets for his 8th birthday party. I included this book in his gift bag. He loves it and he rereads it weekly.

Great book that introduces you to all the characters from the great movie.
