## **Synopsis**

Lea Clark is all set for an animal-discovery adventure! She's never been to a rainforest before, and her mind is filled with exciting thoughts about the animals she'll get to see and the pictures she'll get to take deep in the jungle. My daughter read entire book in 3 days! She LOVED it!! She's 10 years old. She Loved all the Lea books. In general, I love all the American Girl books, very nice quality stories for young minds. We have 100's of them!!

My seven year old daughter loves all things Lea Clark but especially the books. I read this one too and it was a very cute story that discussed safety, responsibility for animals and our planet, and travel.

I love that it talked about different animals and that she learns from her mistake when she wanted to poke the ant hole

This is a great inspirational story. My daughter and I couldn't put it down.

Wonderful book for girls and their moms!

My 10 year old likes it.

I can't wait to read

Great buy!
