# Where's The Elephant?

## Synopsis

A simple game of hide-and-seek takes on a new dimension as a growing city encroaches on the jungle the animals call home. Where's the elephant? Where's the parrot? Where's the snake? And wait a minute – where are all the trees? Where will the elephant, parrot, and snake go now? A vibrant landscape in flux with three hidden animals on each spread offers parents and children an opportunity to talk about urban development and animal habitats.
