Quotes From George R.R. Martin's A Game Of Thrones Book Series 2017 Day-to-Day C

Synopsis

Fans will praise this calendarâ€™s pithy quotes from the villains they love to hate as well as the heroes they laud. Each day, the A Game of Thrones 2017 Calendar features a quote from George R. R. Martinâ€™s series of novels that HBOâ€™s hit show Game of Thrones is based upon. Join the families of the Seven Kingdoms as they clash with kings, raise storms with their swords, create feasts for crows, and dance with dragons in their quest for the Iron Throne.

Customer Reviews

I have one led star because the advertising of this calendar is misleading. If i hadn't read the comments, i would've thought it was an actual calendar. It is not. But, that said, it is fun to read daily quotes from my favorite books. The quotes chosen are wonderful and different than expected. I love it. It sits on my desk. This is s so calendar smaller than a paperback, a book of quotes on a stand, the pages flip over. It is not a calendar that can be written on or used as a wall calendar. It is only quotes. I'm glad I read the comments so I wasn't disappointed.

Got this for the second year in a row. I have the monthly calendar but you only get to flip it once a month. This daily calendar isn't as pretty, but it's way more fun! They took the best quotes from the five books and compiled them to a fantastic calendar. They improved their built quality by adding perforation to the top, instead of cutting out the leftover glue. They chose different quotes so if you have last year's quotes, it's different. For more details and ideas what to do with leftover quotes, visit my channel, Bar Pop.

If you've read the books, this calendar is a great way to enjoy the darkness on a daily basis. I had the 2015 calendar also, and the 2016 edition has all different quotes. I love it.

Great! Thank you!
