# 2017 Edward Gorey Wall Calendar

## Synopsis

A Renaissance man of boundless imagination, artist and author Edward St. John Gorey published more than one hundred works and had a profound affection for ballet, literature, film, and animals. Perhaps best known for the animated introduction to the PBS series *Mystery!*, Gorey designed sets and costumes for the stage, including a Broadway production of *Dracula* that earned him a Tony Award. Bats, cats, and men in fur coats make frequent appearances in his artwork, as do exotic and quirky creatures known only in the trademark crosshatched drawings emanating from his pen.
