Creative Colored Pencil: Easy And Innovative Techniques For Beautiful Painting

Synopsis

New, easy & fun colored pencil techniques! In Creative Colored Pencil, you will find secrets for amazing new and never-before-seen techniques that will turn your everyday colored pencils (both traditional wax-based and water-soluble) into liquid pencils! Whether you want to learn how to color with colored pencils or want to learn how to paint exceptionally realistic colored pencil artwork, get ready to use materials you've probably never considered before--each a true innovation! A full primer on types of pencils, recommended tools and basic techniques. Demonstrations for turning colored pencils into "paint" using easy-to-find materials such as rubber cement thinner, mineral spirits and rubbing alcohol. 14 colored pencil projects (including full palette lists) including flowers, landscapes and animals. You will discover an unlimited variety of creative possibilities, from the painterly style of acrylics and oils to the loose watercolor look of water-soluble colored pencils and everything in between. Get ready to lose yourself as you learn how to use colored pencils in ways you never thought possible.
