Another awesome Wild Kratts reader book that has quickly become a favorite! My 3, 5 & 6 year old grandchildren can never get enough of Wild Kratts, imitating them in their play and watching the episodes a ba-zillion times while never tiring of them. Wild Kratts is one of the best learning experiences for kids (and adults) of all ages -- so much is learned about all living things and habitats. We have been able to attend 2 Wild Kratts events and everyone in the family enjoys seeing Chris and Martin and their fun interactive show. We look forward to more books! Bring 'em on ... we're waiting patiently!!

My son loves watching Wild Kratts and he has all of the books too. We just received this one

yesterday and its another great addition to his collection!

Grandson loves these books. Only wish there were more books available in this series.
