# Winning Silver

## Synopsis

Elise is a talented gymnast who enters the U.S. Gymnastics Open with just one goal: gold. Accustomed to winning, the confident athlete believes that four clean performances are the only obstacles in the way of a victory. Yet, what happens when Elise delivers perfect routines but doesn't win? Can the disappointed gymnast accept the silver medal when she dreamed only of gold? Filled with adorable illustrations and armed with straightforward storytelling, *Winning Silver* stresses the importance of good sportsmanship. Anyone who has ever felt gutted by a competitive result will relate to Elise's initial disappointment over not getting the result she expected.
