Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

My daughter Loves this book! We read it daily and it has a very cute story with all or most of the main characters from the movie included. The cover is a cardboard hardcover with regular paper pages. Highly recommend for anyone with a Frozen obsessed daughter or child.

My daughter loves this book. She is a huge frozen fan so that was to be expected. She has so many books from having a great grandma that's a teacher. She doesn't have my little golden books prior to this purchase, but I remember growing up on them. The story line is cute, shows the love of family, and the aspects of caring for each other. I really like how each character was selfless in this book. The illustrations are really well done, and the book isn't too long to keep a four year olds attention. The "snowgies" is very funny.

Great Books and a great price. I have been collecting these books for my 2 year old daughter so that

when the time comes I can give her a huge set of these. I remember having these books when I was little and loved reading them.

My Granddaughter loves frozen. I ordered this book for her. It served quickly. The book is exactly as stated. It is in perfect shape. Came packaged perfectly. Great gift or to add to your child's book library. I received this product at a discount for my honest unbiased opinion

My daughter loves this book. We did the pre-order and I thought it was being released today but it showed up in our mailbox today!!

Lovely book! I wish it had more pages... the illustrations were cute. Anna and Elsa my all time favorites !
