Age Range: 5 - 10 years

Grade Level: Kindergarten - 5

## Customer Reviews

I bought it for my two year old. and Now I am drawing all those fun things myself for fun, and my daughter keeps asking me to draw more for her.

Steve makes it quick and simple to draw these cartoons. Along with his other 1 2 3 books, Mr. Barr has shown my grandkids how to create their own stories using the cartoon drawings! It really inspires kids to use their imaginations and bring those stories to life.

I taught a cartoon drawing class with this book and 2-3 other ones in this series! The kids loved it! It teaches the basics (the starting shapes and lines) then you can let your creativity take over!

Being totally without artistic ability, this book is perfect for me. I lost my original copy and was so happy to find another. Arrived in good time and in good condition.
