Customer Reviews

I have ordered this engagement book for three years now and also have given it as a gift. I love it, and I have received glowing reviews from those I've given one to. The size is perfect to keep on my

desk, where I can easily view my daily schedule or my monthly notes. The pictures are lovely. The sayings are lovely. The book is high quality and the pages are a nice heavy paper. It has holidays noted and lots of room to jot down notes. I just received the 2017 edition and it is perfect.

I have purchased these calendars going on three years now. I love the convenience of this datebook and it goes right alongside my wall calendar. The quotes for each month serve as a meditation for me. Thank you!
