Customer Reviews

4.5 stars I like this story a lot more than Kirkman's Walking Dead (an early work in his comic writing career - he didn't know where he was going to go and did things with his characters he later regretted (cutting off Rick's hand)- he has a better sense of the medium now). The devil (or devil stand in) is marshaling his forces. Kyle's sister has been infected with a demon. His wife is still estranged. And Kyle (and us) are learning more about the possessions and how to fight them. We still don't know why, but Kirkman knows that he can slowly reveal the the overall plot while keeping the story moving along.

My son and I saw the first episode of the new Outcast show on TV, but since we don't get that channel and they only offered the first show as a teaser, we haven't been able to watch the rest. So, instead, I bought the 3 graphic novels. My 13-yr-old and I are both hooked. Great story! Dark. So if dark isn't your thing, maybe you should steer clear. But if you liked Y and Saga, then Outcast is a good bet.

After watching the new show on Cinemax, I was hooked and had to read the comics. just like The Walking Dead, the comic is a lot different than the show and moves at a faster pace so if you want to be surprised for Outcast Season 2, DO NOT read past the first 3 comics.

Kyle, the outcast, continues to fight the demons that surround him, are drawn to him and infest his nearest and dearest while the Devil's representatives work against him.I think that I'm getting a little tired of this series and want things to move along a bit more quickly. It's interesting enough and you want to know where it's going Â¢Â“ There's more to come as well.

3rd Vol kicks up. My only complaint is this one seemed shorter than the other 2. Maybe I read it faster, I have no idea.

Great continuation of the story. A lot happened and the story progressed pretty quickly. Can't wait for the next volume.

I enjoy a good story and I can't wait to find out where Robert Kirkman's mind takes this one! Pretty darn creepy but very believable.

I love this book. It is such a great story. It is so fun to read its so good and creepy. I really like the illustrations as well.
