Customer Reviews

This is my type of adult coloring book! Interesting (and surprisingly inspirational!) designs that aren't so detailed that it intimidates me. There's just enough going on to make it fun which is exactly what I wanted. There are pictures with words and pictures with just designs (like flowers) which creates a nice balance. Lots of options fitting a lot of moods. I'd definitely recommend this!

I absolutely love this coloring book. Fun, sweet, and sassy, it's the perfect pick-me-up for yourself or for a friend. I think all ages and all types of people would enjoy!

This is literally one of my favorite coloring books! I love the art work in it and it arrived in amazing condition! It helps with my anxiety and depression a lot!
