Customer Reviews

I loved this coloring book so much that I purchased two as gifts. There are so many coloring books out there but I'm pleased I chose this one. I appreciate the options this book allows as a journal, coloring book or simply to enjoy meditating on the scriptures. has one happy camper here!!:)

This is a full sized, like letter paper sized, coloring journal. There are lined pages, pages with boxes and prompts, verses, fully illustrated and partially illustrated pages. The illustrations are not detailed designs like most adult coloring books making them simple to color as they are. There's plenty of room to embellish or not as you see fit. I find inspiration to write, draw, pray, read, and/or color every time I sit down with this.

I was looking forward to have pictures to color. The verses were nice and good but there are not that many pictures inside.

I bought one for myself but decided to use it as graduation gift. It is darling and thought provoking. I will be buying one for myself and some extras to give away!

I am very pleased with this journal. I have purchased this for the members of a group that I am in. It is a very valuable resource

I have not started using it just yet, but look like what i was looking for, The only thing i wish is the Scripture would be from the NKJV.
