# Apocrypha Now

## Synopsis

Mark Russell & Shannon Wheeler's faithful yet irreverent approach to the Bible made their book *God Is Disappointed in You* a modern cult classic. Now, by popular demand, they turn their attention to the best parts left out of the canonical Bible, including the Midrash, the Apocrypha, Gnostic Gospels, and more! And if you thought the Bible had some weird stuff in it....

## Customer Reviews

Gold-edged with a purple ribbon place marker, the words of Jesus in classic Bible-red, this is a delight. Funny, smart, political, and thoughtful through and through - a take on the writings that didn't make it into the Bible.

Very funny and breezy take on Biblical information. Will offend people who take religious documents as the infallible word of God.

It was a great book and arrived just as promised
