## Customer Reviews

think it will be nice. my first grayscale book nice pictures mostly. Some I could do without like the bow of a boat pulled up on weedy shore, that was ugly., But some nice pictures too.

This is my first grey scale book. I'm liking the way the pictures are turning out. Much easier and nicer than expected.

Don't like the grayscale method. Not able to be creative with color. Not enjoyable

Arrived promptly, pictures are nice but will not order grayscale type again.
