1 & 2 Samuel: Ignatius Catholic Study Bible (The Ignatius Catholic Study Bible)

Synopsis

This volume in the popular Bible study series leads readers through a penetrating study of the Books of 1 & 2 Samuel using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. They provide rich historical, cultural, geographical or theological information pertinent to the Old Testament book - information that bridges the distance between the biblical world and our own. It also includes Topical Essays, Word Studies and Charts. The Topical Essays explore the major themes of 1 & 2 Samuel, often relating them to the teachings of the Church. The Word Studies explain the background to important Bible terms, while the Charts summarize crucial biblical information "at a glance".
