# Iron Man Read-Along Storybook And CD

## Synopsis

Billionaire inventor, Tony Stark, always put himself first until the day his inventions were used for evil. But when Tony tries to set things right, his inventions are turned against him. In order to survive, Tony invents and builds himself a high-tech suit of armor and promises to use this technology to help those in need as the Invincible Iron Man! Action-packed narration and thrilling sound effects add to the magic in this exciting storybook-and-CD set.

Age Range: 3 - 6 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

Kids love this book! We have a huge collection of read along books, hard pressed to find Marvel so happy they have this. They haven't seen any of the movies (just kids friendly books and cartoons) but it's not needed for them to enjoy this book.

It is terrible. Not as expected, it follows the Ironman Movie with Robert Downey Jr. and we were expecting more of a comic book style book.

Daughter Loves these books I can't Buy them quick enough. we have a pretty good collection going on now.

Not really appropriate for a 4 year old. Lots of writing and words small. More for a 6 + age

This book is not for 3+... it is a book for children over the age of 12.
