## Customer Reviews

Love these pocket calendars. I buy one for myself and others for my friends and they love them also. They fit into a large pocket in my purse so they are always ready for my notes. Susan E.

This is colorful with enough space to write obligations for each day. It is very sturdy.

My absolute favorite pocket calendar! Gooseberry has the prettiest pics inside to brighten any day!

I've been using these books for several years. A handy tool for keeping track of dates, etc.
