How To Be Filled With The Holy Spirit

Synopsis

"Are you sure you want to be possessed by a spirit other than your own? Even though that spirit be the pure Spirit of God? Even though he be the very gentle essence of the gentle Jesus? Even though he be wisdom personified, wisdom himself? Even though he be as loving as the heart of God?" (A. W. Tozer) This little audiobook is hard to swallow. In it, A. W. Tozer teaches plainly who the Spirit is and why we should desire him but why few of us do. He instructs us in how to be filled with the Spirit but first poses this question: Do you really want to be filled?

Customer Reviews

There are very few books that I have read that I would recommend as highly as this one. It is a short little book (65 pages) and can be read in less than an hour (maybe an hour and a half if you read slowly), but the content of the book is just so good and right. The content comes from a series of sermons given by Tozer many years ago about the question of how to be filled with the Holy Spirit. The book begins by addressing who the Holy Spirit actually is. He writes, "the Holy Spirit has will and intelligence and feeling and knowledge and sympathy and ability to love and see and think and hear and speak and desire the same as any person has." (p11) I have never used so much highlighter ink on 65 pages in my life " this book is truly an important one to read. When Tozer poses the question, What is He Like?, he answers with, "exactly like Jesus. You have read your New Testament, and you know what Jesus is like, and the Holy Spirit is exactly like Jesus." (p20) This little book is about so much more than just the Holy Spirit " although that topic alone is

so valuable and worthy of an entire book. Tozer talks about what the church should look like, what our lives as Christians should look like, the love of the Father, the glory of the Son and even so much more than that! Before talking through some very practical ways to pursue, to be filled with, to walk with the Holy Spirit, Tozer first spends quite a few pages asking if we really want to be filled with the Spirit. In the same way that Jesus asked âœdo you really want to follow me?â• Tozer asks, âœare you sure you want to be possessed by a spirit other than your own?â• He says, âœbefore you can be filled with the Spirit, you must desire to be filled.
