My twins are crazy about Shimmer and Shine. This is a cute little book about Shimmer, Shine, and Leah trying to fulfill her wishes about being a Ballerina. The story is short so it's perfect for a quick read or a bedtime book. The pages are nicely illustrated and the story is easy to follow along for the little ones. Highly recommend Golden books!

Such a cute book. If you have a Shimmer and Shine fan, they will love it!

My grand daughter loves Shimmer and Shine.

Our 4 year-old granddaughter is currently very interested in these characters and the book was well

received!

The pages throughout this book are wrinkled like it has water damage.
