I've been crocheting for years, but I'm not an "advanced" crocheter. I made the dachshund on the cover, but I'm planning to applique it to a store-bought sweater because the sweater looks pretty advanced and is made with a small crochet hook. I also started the hedgehog hat. It's going well so far, though I'm a bit confused by the earflap directions. Just be advised these patterns are for more advanced crocheters, in my opinion.

Great summer crochet ideas, baby things! Sharon Zientara has collected a wonderful assortment of things a crocheter would love to create! Slippers to afghans, sweaters and lovies, all of an assortment that we are looking for! I reviewed this at my blog: [...]

so stinkin cute

Love it.
