My 4 year old loves the Wild Kratts - and he was very excited to read this book! I find these books (and the Wild Kratts in general) to be a great source of interesting animal knowledge for kids - even I learn new stuff! The stories are exciting and accurate. Great job, keep up the good work!

my grandkids are totally into Wild Kratts. I ordered this book and several others. my only complaint is not with this book, but that we need many more to satisfy the appetite for nature that this wonderful show has created. Thank you Wild Kratts!!! btw, the kids are 4.5 and 7 years of age.

Great Wild Kratts book. Has stickers and a poster my son loves. Definite buy if your child likes Wild Kratts. Has a good variety of animals and their powers.

The content is fun and fact filled! My son loved the poster. He is 5 and read the entire book to us, and looked forward to reading this book nightly!

Have a grandson that loves the Wild Kratts. He liked the poster and stickers. High quality printing.
