Adult Activity Book: Dot To Dots

Synopsis

Adults love dot to dots, and with good reason! Dot to dots do not call on major decision-making skills. Rather, they provide a window to enter a meditative state, which will help in de-stressing and in seeing things from a renewed perspective. So the more dot to dots you are able to do, the more focused you will be too. Start connecting today!

Book Information

Paperback: 106 pages
