# I Love Music: My First Sound Book

## Synopsis

Readers of every age will be enchanted by this charming board book, which is distinguished by the exceptional quality of the musical sounds that bring every picture to life. I Love Music has a button on every spread, which triggers one of six captivating sounds that introduces a familiar instrument to the reader. An incredibly simple but utterly fascinating interactive book with sounds bound to enchant young readers and ignite an early love of music! A delightful and compelling book in the My First Sound Book series that everyone in the family will enjoy reading again and again.
