I am continuing to 'contend for the faith'. I want to see the healing, miracles, deliverance, and revival promised in the Bible and paid for by Jesus. I've read many of Bill's books, they are always a help!

Please note it says: Free Feature Message. It does not say you get the whole book. It's free so we should not mind just receiving a taste.

Having read the few reviews, I grabbed the free Kindle version knowing this was only a "sample" to promote the full book that releases in October. Even though it was about 7 pages it was still excellent full of encouragement to know and obey the Word and the way Jesus lived. As Johnson outlines we are often deceived by well-meaning orators who expound what they consider to be truth but in fact when compared to Jesus and His Word is in fact deception. The enemy loves to deceive us. God is good. Yes, He is and if you haven't read any or only a little of Johnson's works grab this teaser (it's free on Kindle) and sample his encouraging teaching. I'm looking forward to reading the full book when it releases in October. We need more of this message - God is indeed Good.

Love what I've read so far, the body of Christ needs to read this. Can't wait to get my hands on this book. I want to walk and live like Jesus did, as a man here on earth, filled with Holy Spirit. I want His will to be done here on earth as it is in heaven.

A very good book, I have recently been healed by God. I have had problems getting pneumonia for the past three years this last one had me in the hospital from June 2 until August 23 most of the last part being on a ventilator. God touched me and healed me letting me know he had more out there for me to do.
