# The State Of The Art Of Architecture

## Synopsis

Under the title *The State of the Art of Architecture*, artistic directors Joseph Grima and Sarah Herda bring together more than eighty participants from around the world to represent a new generation which is testing the boundaries of the field. Through critical texts, case studies, conversations, and photo essays, this book explores the work of architects who are engaging the pressing issues of today, outlining bold new definitions of architecture at the dawn of the twenty-first century.
