## Customer Reviews

Boris Vallejo has been publishing beautiful fantasy art calendars for several decades: I've bought one each year for the last twenty years (starting in 1995) and I believe he published several as far back as the eighties. Often there is a unifying theme or narrative to the collections in a calendar, sometimes with accompanying text from a master of written fantasy such as Philip Jose Farmer (1995) or C.J. Henderson (2002). For the past decade and a half these calendars have been joint productions between Boris and his present wife, Julie Bell. Indeed, they are often family productions: Julie's son Anthony Palombo is one of the authors of the story text linking the paintings in a previous calendar, and the last few calendars including this 2016 one have had portrait photographs on the back cover of artists Boris and Julie taken by Boris's daughter Maya Vallejo who is a professional photographer. This 2016 calendar contains thirteen exceptionally lovely images (one for each month and a double spread between June and July) with the following titles: January:

"The Firethorn" (a beautiful woman with butterfly wings facing a dragon, sword in hand)February: "Intertwined" (a couple asleep)March: "The Offering"April: "Firestorm" (A man and woman on a ship passing through dangerous waters)May (and cover): "Escape"June: "The Messenger" (A centaur, a bear, and a tiny dragon)Centre spread: "Discovery"July: "The Transformation"August: "Fighting back"September: "Searching"October: "On Dragon's Wings"November: "The Final Battle"December: "Soaring Higher."
