# If You Ever Want To Bring A Piano To The Beach, Don't!

## Synopsis

Elise Parsley's tale of the charismatic and willful Magnolia's disastrous trip to the beach follows up her New York Times bestselling debut, *If You Ever Want to Bring an Alligator to School, Don't!* If your mom says to get ready to play at the beach, she means with a boat, or a Frisbee, or a shovel. She is NOT talking about the piano. But Magnolia is a little girl with a big idea, determination, and one very heavy upright piano that, she insists, she needs to take with her. What's the worst that can happen? In a riotous series of mishaps, Magnolia quickly learns that--not surprisingly--a piano doesn't mix well with sand, sun, and seagulls!

## Book Information

Hardcover: 40 pages

Publisher: Little, Brown Books for Young Readers (May 3, 2016)

Language: English

ISBN-10: 0316376590

ISBN-13: 978-0316376594

Product Dimensions: 9.5 x 0.4 x 12.1 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 starsÂ  See all reviewsÂ  (29 customer reviews)

Age Range: 8 - 12 years

Grade Level: Preschool - 3

## Customer Reviews

Last year, I was completely charmed by Elise Parsleyâ™s debut picture book, and I couldnâ™t wait to get my hands on the sequel, *If You Ever Want to Bring a Piano to the Beach, DONâ™T!* After all, the possibilities are ridiculous, right? Unfortunately, I couldnâ™t quite turn off my logical brain to fully enjoy this book. Once again, the book features Magnolia, a young girl who thinks she has wonderful ideas that turn out to be not so great. Her family is heading to the beach for the day, and when her mother tells her to gather something to bring, she decides to bring the family piano. Her mom tells her that she needs to keep track of it and not lose it. This is a piano, itâ™s huge! That wonâ™t be a problem at all. Or will it? While Magnolia is the main character, these books are actually narrated in the second person. Once again, the style reminds me a bit of the still popular *If*

You Give a Mouse a Cookie books, although these are much more outrageous. I mean, who would even think about bringing a piano to the beach in the first place. In fact, that's where the logical part of my mind takes over. You just can't do some of what she does with this piano. It's too heavy to even be moved. Then we get to the fact that Magnolia's mom never reacts to what happens over the course of the book. I was okay with what happens when you bring an alligator to school, in fact I loved the creativity in that book, but I couldn't accept the absurdity humor of this book. Go figure. But that's why I think it is more of a personal problem than a problem with the book. I have a feeling that kids will laugh at some of the things Magnolia goes through in this book. The pictures will certainly help.
