## Customer Reviews

Beautiful artwork. Good continuation of the creation calendar for people that want to know how time

was traditionally kept from the beginning of Genesis to now by Hebrew people. If only the Egyptians and other civilizations had such a calander system for dating their beginning for comparison.....oh well. All the traditional Biblical holidays from Exodus and more are included. I love the scripture and monthly affirmations. Monthly moon phases and eclipses are also included which is coinciding with the lunar/solar month authenticity.

I love this calendar series because it helps me understand and participate in the feasts and festivals of my ancestors. It is beautifully done, and aids in my study of the origional commands of God.

great calendar. I've bought these before. very informative

Beautiful! Many thanks!

very interesting to me
