Outlander 2017 Wall Calendar

Synopsis

In 1945, WWII nurse Clair Randall is transported back in time to the 1700s Scotland. Here she encounters civil war, villains and unrest, and dashing Highland warrior Jamie Fraser. The lives of the heroic characters of the outrageously popular Outlander TV series play out against the lush backdrop of the Scottish countryside--an alchemy of romance, time travel, and historical drama! Based on the equally popular book series by Diana Gabaldon--an international bestseller for 20 years!

Customer Reviews

This is my favorite of the Outlander 2017 Calendars. I had to have them all. This is your typical full size wall calendar and the quality is good. The pictures are all from Season 2, unlike the other 2 calendars for 2017 (mini and desktop) The pictures seem to be all from the first half of the season while in Paris but that is fine with me. They have a good selection of who is shown for each month. Loads of Jamie and Claire and yes, a Black Jack Randall. Even Murtagh gets a month all to himself, he's one of my favorite characters. One thing that I also enjoy is for the spaces in the actual calendar section that don't have a date, they have used that space wisely with some extra pictures. I took a few images to help you make your decision. Cheers

Gorgeous quality! Personally, this feels like a much stronger version than the 2016 visually. It's nearly 100% France, so for those looking for a little touch of Scotland will get only just that. The pictures *are* in order last time on the back (another flaw from last year) and hopefully I can edit this

later with some follow ups.

Gorgeous. Just gorgeous. The photos represent some of the most breathtaking costumes and settings and actors you'll ever see. Great size, useful space on the calendar page and delivered promptly. Ordered one for me and several more for gifts. Excellent reminder of how extraordinary Season 2 of this remarkable show was.

Beautiful pictures from the TV series.

Absolutely gorgeous calendar! Love it!

I could not wait until 2017 to open my Outlander calendar. This calendar is made a great quality. I can't wait to put up at work

Bought it early for the wife for Christmas. I'm sure she will like it as much as this years.

Wonderful photos
