Spirit Horses 2017 Wall Calendar

Synopsis

The gorgeous Spirit Horses wall calendar is filled with extraordinary portraits of horses, both wild and domestic. Each image is paired with quotations from great teachers and writers exploring equine wisdom and the love of these magnificent creatures. A year of stunning horse photography by Tony Stromberg on your wall. Frameable artbook-quality printing. The perfect art gift for the horse lover. Features quotes from luminaries such as Mark Twain, Charles Darwin, and Arthur Schopenhauer. Printed on FSC® Certified Mixed Source Paper with soy-based inks. Published by Amber Lotus, an independent carbon-negative US company that has planted more than half a million trees since 2008. This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the world's major religions. Through his luminous photography of horses, Tony Stromberg works to bridge what he calls modern life's separation between people and nature. As humankind's most enduring companion, horses can be profound teachers, bringing deep awareness to a world dangerously out of balance. Creator of the books *Spirit Horses* (2005) and *The Forgotten Horses* (2008), Stromberg believes that horses can be profound teachers, bringing deep awareness to a world dangerously out of balance.
