Feminist Activity Book

Synopsis

Looking to smash the patriarchy and get your arts and crafts on? Want to have a laugh while taking down sexist stereotypes? Look no further than Gemma Correllâ™s Feminist Activity Book, where your dress up doll can wear whatever she wants and the only thing limiting your sexuality is the size of your colored pencil collection. Welcome to the games, coloring projects, and crafts of your egalitarian dreams! The Feminist Activity Book has everything you need to usher in an era of colorful and intersectional joy. Featuring such activities as Feminist All-Star Trading Cards, Destroy the Page-Triarchy, Sexist Social Media Bingo, and A Feminist ABC, The Feminist Activity Book will fuel your feminist rage, remind you to laugh once in awhile, and bring you one step closer to an egalitarian utopia, or whatever.

I teach women's studies (and other subjects) at a university in Florida, with two college-age daughters who are also avid women's studies fans. This book takes disappointing information about inequality and turns it into empowering fun--it's educational and hip. I will love sharing this with my students. The activities are creative; the cartoons are cool; and the presentation is inspirational. Thank you for a great book!

I love this book, it is exactly what I expected it to be. I bought it to keep me busy during the down time at work.

This book definitely is a must read for everyone interested in women's rights in our world - to grasp where that terrible discrimination had started from. Unfortunately sexism and misogyny are still with us today. As wonderfully put by another powerful book I've recently read Beasts of Prey: The Hard Truth about Men, some men use their powers to cheat on women, trick, and manipulate them to gain their control in society and culture. Such men have not progressed anywhere from the situation discussed by the "The Second Sex" Some men, like the misogynist Donald Trump Crippled America: How to Make America Great Again, still believe that stereotyping women (like what he did with Megyn Kelly when he mentioned her menstruation in an interview) and denigrating them (like what he did with Hillary Clinton when he compared her with a barking dog in his ads) is the right way to go! Just because such manipulators have money and power in their hands, they strike hard to stop those beautiful, intelligent and influential women from gaining control on the same resources in society they assume to be their own!

This is amazing. I'm so glad I preordered this book! I can't wait to color in public. Great conversation starter!

A very fun and informative book. Many activities such as a crossword and coloring page. Very eye catching when used it public.

Smaller than expected, but still an amazing buy! Definitely worth the price, arrived exactly on expected delivery date.

This activity book is the coolest activity book ever! I highly recommend it if you're into feminism!

Really cute activity/coloring book for any feminist of any age to have some fun filling in.
