M Is For Monocle: A Victorian Alphabet

Synopsis

From the creators of BabyLit®: M Is for Monocle: A Victorian Alphabet is part of a unique new series that opens a window on history while teaching toddlers the ABCs. Different eras of history—including the nineteenth-century American West, medieval Europe, and Victorian England—are brought to life by Greg Paprocki's fun and enticing illustrations in this new series of board books for brilliant babies.

Customer Reviews

Love this!! The illustrations are beautiful! I bought this for my sister's baby shower, and I know she's going to love it :) I'm fairly certain I'll have to buy it for when I have children.

Good concept but the color is a little dull for my toddler. Hope he got back into it when he's a little older.
